I spoke to Lisa and confirmed there's no conflict with the proposed parking restrictions. The petition has been verified, I will be submitting a TCR to Jeannie and we should have no over night parking (2am-6am) restrictions up by end of january

Dear Nikki:

Is one of your deputies working on no parking restrictions on Seward Street? Let me know where you are in the process? Has the package (parking petition, letter of support, application) been submitted to LADOT Hollywood Division?

Thank you
